

STAND  
TOGETHER  
E TŪ TĀNGATA  
AOTEAROA

Song  
Lyrics

Ooooo and we will rise together  
E tū tāngata (x3)  
We stand together

**Verse 1** (x2)

I look in the mirror  
and what do I see?  
A valuable person  
smiling back at me

**Rap 1**

No, no, nobody likes to be put down  
Make ya feel so low with your eyes on the ground  
These words can hurt, they do more than make a sound  
If you think you can stop, and turn it around

**Chorus** (2 parts)

E tū tāngata (x3)  
We stand together  
(Ooooo I lift you up  
Oooo you lift me up  
Ooooo and we will rise, together)

**Verse 2** (x2)

I look to my left, I look to my right  
and what do I see?  
Valuable people  
smiling back at me

**Rap 2**

I'm here to support you  
Never ignore you  
If you need anybody  
I'll do anything for you  
From the day we were born  
And our whole life through  
Come on and shout with me, shout with me  
'I HAVE VALUE'

**Chorus** (2 parts)

**Bridge/Chant** (x4)

E tū tāngata o te whenua  
Kia kaha tō waiata  
Me te aroha  
(English translation:  
Stand up people of the land  
and sing with energy  
and love)

**Verse 3**

Doesn't matter where I come from  
Or what's my jam  
'cos I'm here to tell you  
I'm perfect as I am

**Outro** (3 parts)

E tū tāngata (x3)  
We stand together  
(Ooooo I lift you up  
Ooooo you lift me up  
Ooooo and we will rise, together)  
(Perfect as I am)
