

Where is the need for E Tū Tāngata in our school?

What would it take to get students on board?

What would it take to get the community on board?

E Tū Tāngata In Our School

Who are the key players in our school that could really take this and lead it and how do we empower them?

What outcomes would we like to see? Short term and long term.

What input do we need to help make this happen?
