

Create a Family Tree

Teaching Guide

ETT Strand: You Have Value

Aim: Students learn about their ancestors and fill in the family tree. Any branch of their ancestry can be followed: students write a name on a flower and stick it to the tree, adding the branches of the tree as they go.

Provided:

- Sheet of flowers for writing names into
- Family tree to colour, add branches and names

Others supplies needed:

- Glue stick
- Scissors
