

Instructions

Here's a cool activity to represent E Tū Tāngata (Stand Together).

Give each member of your group or class a paper doll to decorate and colour to represent themselves. You might want to use fabric and wool and fun stickers, or just draw!

Once everyone has made one, display them on the wall so that they are all holding hands, or tape the hands together and string them across the room! You can add one of our banners to complete the display too!

E Tū Tāngata
WE STAND TOGETHER
