

# We are all Different

by Loopy Tunes Preschool Music

Maybe you can make someone's day  
By smiling waving and saying, hey!  
Or maybe you could learn something new  
If we see another's point of view

## CHORUS

Korero, talk with them  
Whakarongo, listen to them  
Akohia, learn about your new friend

They may be different from you,  
Different clothes, different hair, different shoes,  
Some say different is weird  
but different is normal so don't be scared

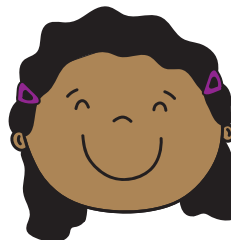

## CHORUS

Korero, talk with them  
Whakarongo, listen to them  
Akohia, learn about your new friend

## BRIDGE

Ooooooh we are all different  
Ooooooh yes you and me  
Ooooooh we are all different  
We're all different you and me  
So let's count to three and shout yipeeeee  
1 2 3 yipppeeeee

## CHORUS x2
